With respect to the Standalone Financial Results for the quarter ended March 31, 2022, based on our review conducted as stated in paragraph (b) of Auditor's Responsibilities section below, nothing has come to our attention that causes us to believe that the Standalone Financial Results for the quarter ended March 31, 2022, prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Basis for Opinion on the Audited Standalone Financial Results for the year ended March 31, 2022**

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). ### **Management's Responsibilities for the Statement**

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

### **Auditor's Responsibilities**

#### **(a) Audit of the Standalone Financial Results for the year ended March 31, 2022**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2022 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company to express an opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to

communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**(b) Review of the Standalone Financial Results for the quarter ended March 31, 2022**

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2022 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Other Matters**

- The Statement includes the results for the Quarter ended March 31, 2022 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our report on the Statement is not modified in respect of this matter.

7 In accordance with Regulations 6(a) and 7 of the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009, the Company had voluntarily delisted its equity shares from Calcutta Stock Exchange Limited (CSE) w.e.f. 5th March, 2021. However, the equity shares of the Company continue to remain listed on National Stock Exchange Limited (NSE) and BSE Limited (BSE).				
8 The second wave of COVID-19 has had severe impact on human lives and the economy across various states in India during April and May 2021. Different states in India imposed curfew restrictions in phases throughout April and May, 2021, with gradual easing in a phased manner effective June 2021.				
The consequences of the COVID-19 outbreak on the Company's and its subsidiaries' business for the year ended 31st March, 2022 and 31st March, 2021 have been severe. Based on current indicators of future economic conditions, the Company and its subsidiaries expect to recover the carrying amounts as on 31st March, 2022 of its assets. Various cost rationalization measures that were initiated during financial year 2020-21 have continued through the financial year 2021-22. Whilst most of the Company's hotels remained operational throughout April, 2021 to June, 2021 to accommodate in-house guests who preferred to stay on, all hotels in India remained open to business throughout the remaining period of the current year. Subsequent to the gradual lifting of restrictions across the country in June 2021, business at the Company's and its subsidiaries' hotels in India have generally picked up. In respect of international locations, hotels of the Company's subsidiaries in Indonesia reopened on 18th March, 2022. The Oberoi Mauritius, a hotel of the Company's Joint Venture, resumed operations effective 1st September, 2021 with the partial opening of the borders in Mauritius. The Oberoi Marrakech, a hotel of the Company's associate La Roseraie De La Atlas and hotels under management contracts at UAE and Egypt remained operational throughout the year ended 31st March, 2022. The Company's flight kitchens catered to various airlines operating repatriation flights, crew meals, cargo flights, domestic flights and to International 'Air Bubble' flights during the year ended 31st March, 2022, witnessing a significant reduction in volume during the year as compared to pre-COVID volumes. The adverse effects of the new variant, 'Omicron' on the business of the Company and its subsidiaries was restricted to the first few weeks of January 2022. With international flights from India resuming on 27th March, 2022, the Company's business is expected to improve.				
Notwithstanding the impact of the reduction in business volumes of the Company and its subsidiaries, Management, based on its assessment, does not foresee stress on liquidity, as it either has access to sufficient sanctioned borrowing facilities for working capital requirements or has sufficient liquid funds available as on the Balance Sheet date. The Company has access to borrowing facilities worth Rs. 530.00 crore, of which Rs. 422.61 crore remained unutilised as on 31st March, 2022.
