EIH Marrakech Ltd. is a company limited by shares and incorporated in the British Virgin Islands. The nature of the operations and principal activity of the Company is described in the Directors’ report.

## 2. Significant Accounting Policies

### (a) Basis of Preparation

The financial report has been prepared in accordance with the requirements of International Financial Reporting Standards (‘IFRS’).

The financial report has also been prepared on a historical cost basis.

The financial report is presented in United States Dollars and all values are rounded to the nearest dollars unless otherwise stated.

A statement of cash flows has not been prepared given that there were no cash transactions during the current year.

### (b) Compliance with IFRS

The financial report complies with International Financial Reporting Standards as issued by the International Accounting Standards Board.

### (c) Changes in accounting policies and disclosures

The accounting policies adopted are consistent with those of the previous financial year.

### (d) Foreign Currencies Translation

Transactions in foreign currency are initially recorded in the functional currency by applying the exchange rates ruling at the date of the transaction. Monetary assets and liabilities in foreign currencies are translated into United States dollars at the exchange rates ruling at the balance date.

Non-monetary items measured at fair value in a foreign currency in terms of historical cost in a foreign currency are translated using the exchange rate as at the date of the initial transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Exchange gains and losses on foreign currency translation are dealt with in the Statement of Comprehensive Income account.

### (e) Cash and Cash Equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and which are subject to an insignificant risk of changes in value.

### (f) Deferred Taxation

Deferred taxation is calculated under the liability method in respect of the taxation effect arising from all timing differences between profit as computed for taxation purposes and profit as stated in the financial statements which are expected with reasonable probability to crystallise in the foreseeable future.

## Notes to the Financial Statements (*Contd...*)
